Der elektrisch höhenverstellbare Schreibtisch bietet viele Ergonomievorteile für das Arbeiten im Stehen und Sitzen.  
The desk with electric height adjustment offers plenty of ergonomic benefits for sit-stand work.

Der Einzelschreibtisch ist in vier Größen verfügbar und bietet mit Organisationsschubkästen, Linoleum-Einlage, Kabelwanne und Kabeldurchlass aus Metall viel mögliches Zubehör. The single desk is available in four sizes and offers an array of potential accessories with partitioned drawers, a linoleum insert, a cable tray and a metal cable outlet.

Der Klassiker über Eck. A real classic corner solution.

Der Clou ist hier der aufgesetzte Schreibtisch in Cockpitform auf dem Raumteiler-Sideboard. The show-stopper in this arrangement is the top-fitted desk top in cockpit shape on the partitioning side board.

Der filigrane Einzelarbeitsplatz mit integrierter Schreibunterlage. The delicate single work space with integrated writing surface.

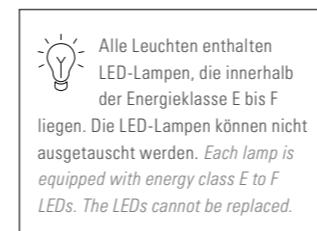

Die Linoleum-Schreibunterlage ist in die Platte eingearbeitet. The linoleum writing surface is incorporated into the plate.

Wir lieben Technik – wenn sie sich dezent zurückhält. We love technology – if it stays subtly in the background.

Für die Schubkasteneinteilungen stehen viele Optionen offen. There are many options for the drawer division.

Neben der Hängeregistratur findet sich noch Platz für Ablageflächen neben den Mappen. Next to the hanging filing system, there is space for storage surfaces next to the files.
